

TITLE: Annual Investment Strategy 2022-23

## **1. Introduction**

1.1 Branston Parish Council acknowledges the importance of prudently investing the temporarily surplus funds held on behalf of the community.

1.2 This Strategy complies with the revised requirements set out in the Office of the Deputy Prime Minister's Guidance on Local Government Investments and Chartered Institute of Public Finance and Accountancy's Treasury Management in Public Services: Code of Practice and Cross Sectoral Guidance Notes and takes account of the Section 15(1) (a) of the Local Government Act 2003, best practice from the National Association of Local Councils, CIPFA and guidance contained in the Governance and Accountability for Smaller Authorities in England publication.

## **2. Investment Objectives**

2.1 In accordance with Section 15(1) of the 2003 Act, Branston Parish Council will have regard

- a) to such guidance as the Secretary of State may issue, and
- b) to such other guidance as the Secretary of State may by regulations specify.

2.2 Branston Parish Council's investment priorities will be centred on the security of reserves and whilst also providing sufficient liquidity and profit.

2.3 All investments will be made in sterling.

2.4 The Department for Communities and Local Government maintains that borrowing of monies purely to invest, or to lend and make a return, is unlawful and Branston Parish Council will not engage in such activity.

2.5 Where external investment managers are used, they will be contractually required to comply with the Strategy.

## **3. Specified Investments**

3.1 Specified Investments are those offering high security and high liquidity, made in sterling and with a maturing of no more than a year. Such short term investments made with the UK Government or a Local Authority or Town/Parish Council will automatically be specified investments.

3.2 For the prudent management of its treasury balances, maintaining sufficient levels of security and liquidity, Branston Parish Council will use:

- Deposits with banks, building societies

Branston Parish Council's current investments are with Lloyds Bank and HSBC.

#### **4. Non-Specified Investments**

4.1 These investments have greater potential risk – examples include investment in the money market, stocks and shares.

4.2 Given the unpredictability and uncertainty surrounding such investments, Branston Parish Council will not use this type of investment.

#### **5. Liquidity of Investments**

5.1 The Parish Council following advice from the Responsible Finance Officer, will determine the maximum periods for which funds may prudently be committed so as not to compromise liquidity.

#### **6. Risk Assessments**

6.1 The Parish Council's reserves are covered by the Financial Services Compensation Scheme up to £85,000 with any one institution and monies must therefore be carefully managed to mitigate the risk of losses.

#### **7. Long Term Investments**

7.1 Long term investments are defined in the guidance as greater than 36 months.

7.2 When investing in corporate bonds and/or government bonds the credit rating alone is not sufficient to make an investment, it needs to be reviewed within the context of the wider financial economic information available and advice.

7.3 Branston Parish Council does not currently hold any funds in long term investments.

#### **8. Reporting on Investment Performance**

8.1 Investment performance will be circulated once a quarter.

8.2 Investment forecasts for the coming financial year were accounted for when the budget was prepared. At the end of the financial year, the Responsible Finance Officer will report on investment activity.

#### **9. Review and Amendment of Regulations**

9.1 This Strategy will be reviewed annually. The Annual Strategy for the coming financial year will be prepared by the Responsible Finance Officer and presented for approval by Full Council.
